

Eye RepairRX®

Proprietary, Patented eye drop formula

We have taken a proprietary formula and produced a novel, patented eye drop that has many attributes to satisfy its varied indications.

Our patented formula provides:

- Cushioning
- Lubrication
- Relieves redness
- Relieves itchy eyes
- Provides a template for healthy tears
- Refreshes the eyes

Eye RepairRX® contains hyCURE® patented hydrolyzed collagen and its many positive attributes for eye health, safely and effectively.

Eye RepairRX® is available in a 15 mL dropper bottle. Private label options are available.

Please call us regarding this sales opportunity at 610-865-9876, or fill out the distributor questionnaire online (“Distributor” tab) and fax to: 610-691-5930.
